CONTRACT DOCUMENTS / EXHIBITS / ATTACHMENTS:

Statement of Work (SOW)

The contractor provide all parts, equipment, personnel, supervision, tools and other items and services necessary to perform delivery of the line items shown in the Schedule B to the location shown in block 15 of the SF 1449.

MANDATORY SHIPPING DIRECTIONS

All items shipped shall have the outer packages marked with the contract number, the end user, and the point of contact information. This should be marked appropriately for each container. Ensure the levy exemption forms are completed prior to delivery as well as approved cargo plaque by PCO Logistics.

PCO Logistics:

PCO Logistics is required to track equipment, materials and goods coming into Iraq under the Re-building Iraq effort. This tracking and inherent accountability process will assist in assuring that all equipment materials and goods are able to cross the borders and move to final destination with minimal delay and at reduced risk. However, in order to accomplish this mission, maximum cooperation is necessary. Prompt notification and compliance with our information requirements will assist in providing advance notice to the point of entry of all inbound shipments. This process affords coordination in the movement of all convoys which will enable improved monitoring and de-conflicted convoy schedule. Prompt notification also improves security coordination through the operations center.

To get started follow the following steps:

Step One:

Upon contract award the contractor is required to provide the necessary logistical information needed by PCO Logistics. This information can be provided and updated as necessary by going to the PCO website (http://www.rebuilding-iraq.net/portal/page?_pageid=95,1&_dad=portal&_schema=PORTAL) and selecting the Logistics tab. Should there be any problems with this process contact the Logistics Movement Coordination Center (LMCC) Watch Officer directly at the following e-mail address: pcolmcc@pco-iraq.net and the necessary assistance will be provided. The contractor will find three forms listed and available under the logistics heading (Logistics Information Requirements Form, Reconstruction Levy Exemption and Form, Cargo Placards). **Those forms should be individually completed and, with the exception of the cargo placard, sent electronically to the above mentioned e-mail address for the LMCC.** The first form submitted will be the Logistics Information Requirements Form. The Logistics Information Requirements Form should be completed upon award of contract and updated as necessary. All updates and changes to this form should be sent to the same e-mail address as the original form. Additional contact information is available on the website mentioned above. Always reference the contract number.

Step Two:

CPA 1-47 CUSTOMS LEVY EXEMPTION AND SHIPMENT REQUIREMENTS FOR RECONSTRUCTION PROJECTS UNDER PROJECT AND CONTRACTING OFFICE (PCO)

Effective 15 April 2004 Tariff Regulations pursuant to CPA Orders #54, as amended by Order #70 (Orders #54 and #70 are posted on the website), require commercial importations into Iraq to pay a 5% levy except for food, books, medicine, medical equipment, clothes and oil. Additional exemptions include NGO's, International Organizations, **Reconstruction Projects under PCO**, and single exempt donations. Items shipped under this contract are exempt from this "Levy" provided a completed Reconstruction Levy Exemption Form is attached and included with each invoice and packing slip.

The contractor is required to fill out the Reconstruction Levy Exemption Form and attach the duty free form to each shipment of goods under this contract that crosses the border into Iraq in order to qualify for the exemption. The contractor must submit one copy of the completed duty free form and a copy of the first page of the primary contract, for customs verification, to the contracting officer and the PCO Logistics Office at pcocustoms@pco-iraq.net prior to shipment. Customs will send back a stamped copy that must accompany the cargo. It is the contractor's responsibility to include the stamped and approved Reconstruction Levy Exemption

Form is included with each shipment to ensure cargo is not delayed at customs. The Contractor should ensure they indicate what the estimated time of arrival is at the point of entry.

Step Three:

The items being acquired are for Iraqi Reconstruction and as per the "Packing and Marking Instructions" of this contract, and shall be Packaged and Marked accordingly. Additionally, a Cargo Placard is available from the website at http://www.rebuilding-iraq.net/portal/page?_pageid=95,1&_dad=portal&_schema=PORTAL under the logistics tab located at the top of the page. There is a memorandum posted that explains how to complete the placards. There are four placards, one is for shipments arriving into Baghdad International Airport, one is for shipments arriving into the Port of Umm Qasr, one is for shipments arriving into Kaz, and the fourth one is for all other shipments. The use of these placards will ensure they are properly identified as PCO shipments and will reduce risk of loss or pilferage. **Each shipment must have a cargo placard affixed to all sides of each container, pallet, or package.**

The following information is provided to assist with the completion of the cargo placard

Primary Contract Number #: **W91GY0-06-C-00XX**

Final Destination Address:

Primary POC at Final Destination:

Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.

(c) Period for acceptance of offers. The offeror agrees to hold the prices in its offer firm for 30 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.

(d) Product samples. When required by the solicitation, product samples shall be submitted at or prior to the time specified for receipt of offers. Unless otherwise specified in this solicitation, these samples shall be submitted at no expense to the Government, and returned at the sender's request and expense, unless they are destroyed during preaward testing.

(e) ****Multiple offers****. Offerors are encouraged to submit multiple offers presenting alternative terms and conditions or commercial items for satisfying the requirements of this solicitation. Each offer submitted will be evaluated separately.

(f) Late submissions, modifications, revisions, and withdrawals of offers:

(1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 5:00 p.m., local time, for the designated Government office on the date that offers or revisions are due.

(2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and--

(A) If it was transmitted through an electronic commerce method authorized by the solicitation, it was received at the initial point of entry to the Government infrastructure not later than 5:00 p.m. one working day prior to the date specified for receipt of offers; or

(C) If this solicitation is a request for proposals, it was the only proposal received.

(ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.

(3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

(g) Contract award (not applicable to Invitation for Bids). The Government intends to evaluate offers and award a contract without discussions with offerors. Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

(h) Multiple awards. The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified.
